

asino chi legge

rettangolo A4

Daniela Carboni & Roberto Gretter, 1 novembre 2002

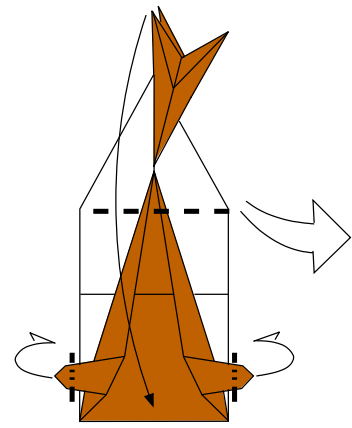

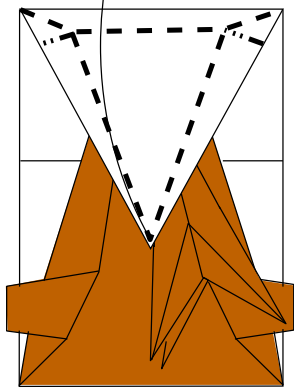

24. ... modella gli zoccoli

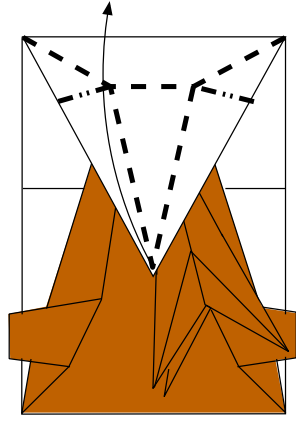

si tratta di zoccoli sensibili.. pieni di pieghe "a sentimento"... ;-)

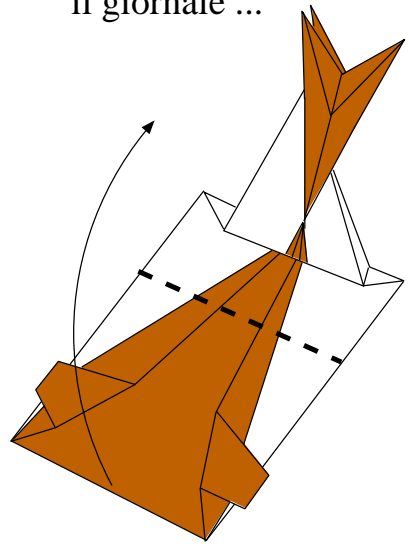

25. cosi' impugnano il giornale ...

26a. solleva la testa perpendicolare alla base

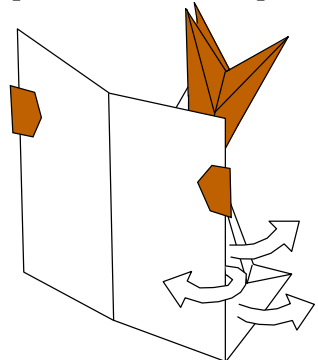

26b. modificando queste pieghe cambia la posizione della testa

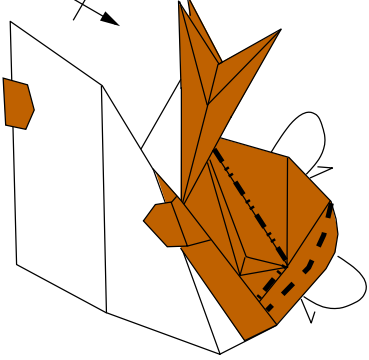

27. il modello ora e' 3-D; solleva anche il giornale

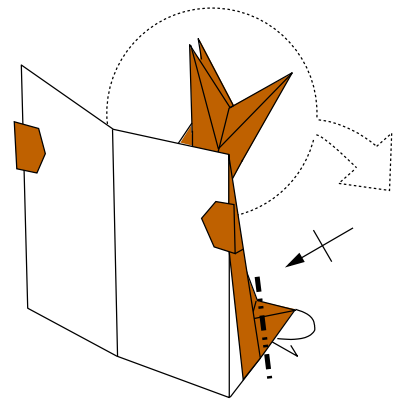

i passi 28 e 29 sono opzionali

28. ... cosi'. estrai uno strato di carta...

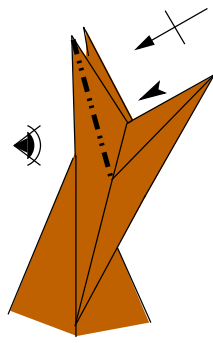

29. ... e rovesciala attorno al modello; ripeti dall'altra parte

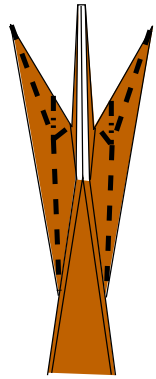

30. fissa il collo che poi modelliamo la testa

il giornale e' ispirato al modello "il lettore" di Herman von Goubergen

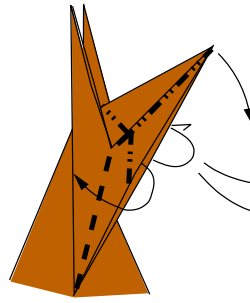

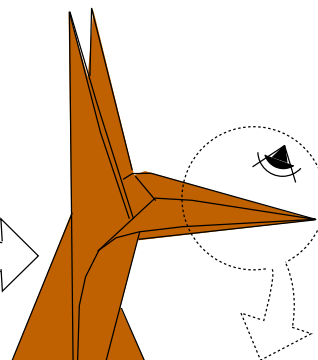

31. rovesciate interne sulle orecchie

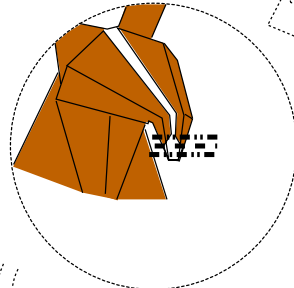

31a. vista da dietro

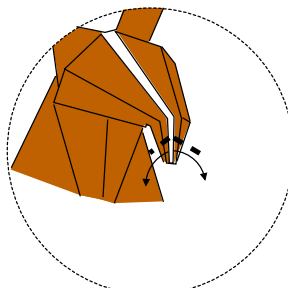

32. apri il muso rendendolo 3-D

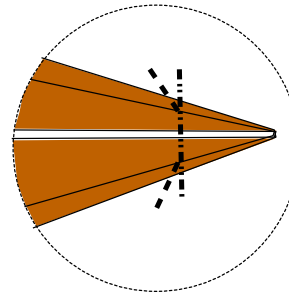

33. testa 3-D

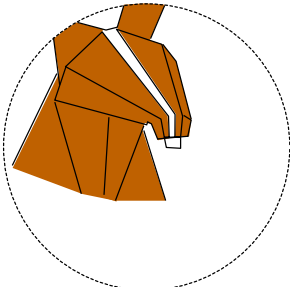

36. forma i dentoni

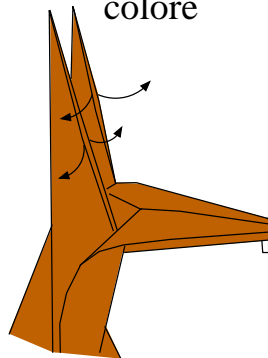

35. cambia colore

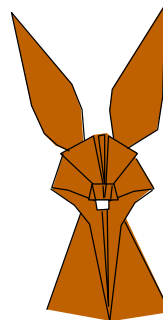

34. vista da sopra

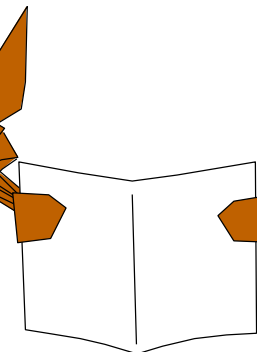

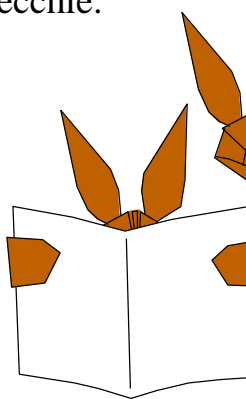

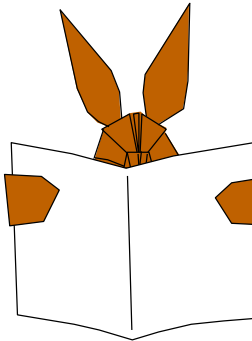

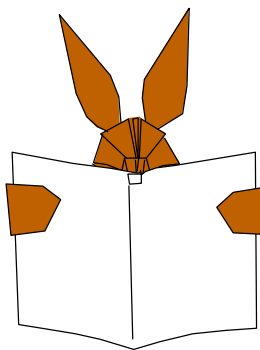

37. muso finito

38. ed ora apri bene le orecchie:

39. la testa e' finitaaa!!

provate diverse posizioni modificando le pieghe del passo 26.. e combinate tra loro diversi modelli!
