PRESENTAZIONE

In questo nuovo libro ho raccolto i CP delle maschere di alieni create nel 2021.
Per la tecnica di realizzazione faccio riferimento al primo volume della serie e ricordo che per una buona riuscita del lavoro sono indispensabili carta da disegno gr,160 e molta pazienza e precisione.
La maschera va piegata contestualmente a dritto e a rovescio, soprattutto gli occhi.
Alla fine con uno spruzzetto vaporizzate un velo d'acqua, dopo aver bloccato con mollette le pieghe principali e asciugate con asciugacapelli. La maschera si irrigidisce mantenendo le pieghe.

In this new book I have collected the CPs of the alien masks created in 2021.
For the production technique I refer to the first volume of the series and I remember that
For the success of the work, 160g drawing paper and a lot of patience and precision are essential.
The mask must be folded right and wrong at the same time, especially the eyes.
Finally, use a spray bottle to vaporize a thin layer of water, after blocking with clothespins the main creases and dried with a hairdryer. The mask stiffens while maintaining
The folds.
