PREFAZIONE

I segnaposto illustrati sono adatti per una riunione d'affari; un pranzo importante; per la prenotazione di un tavolo al ristorante ecc.

Devono corrispondere alle seguenti caratteristiche: Essere semplici da costruire, essere simpatici, eventualmente riutilizzabili (basta cambiare l'etichetta).

Ovviamente la scelta della carta è fondamentale.

I segnalibri illustrati corrispondono alle seguenti caratteristiche: Essere bidimensionali; avere una tasca o un'appendice che permetta di bloccarli tra le pagine; meglio se sporgono leggermente dal libro chiuso.

The illustrated place cards are suitable for a business meeting; an important lunch; for the reservation of a table in the restaurant etc.

They must correspond to the following characteristics: Be simple to build, be nice, possibly reusable (just change the label).

Obviously the choice of paper is fundamental.

The illustrated bookmarks correspond to the following characteristics: Being two-dimensional; have a pocket or an appendage that allows them to be blocked between pages; better if they protrude slightly from the closed book.
