3

4

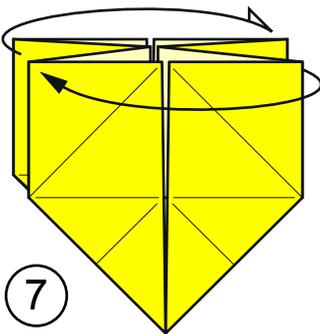

5

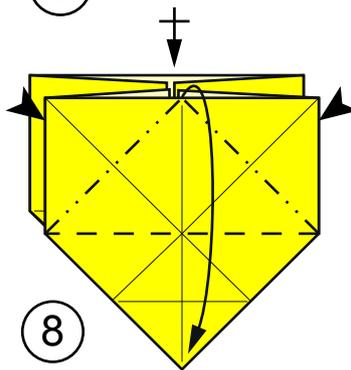

6

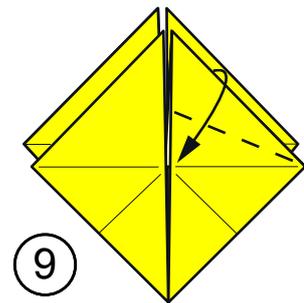

Marcare bene la piega in basso e poi eseguire le altre pieghe, davanti e dietro.

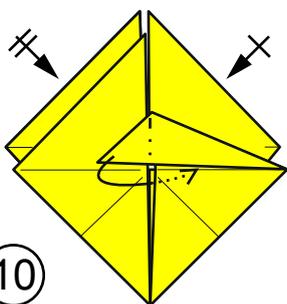

7

8

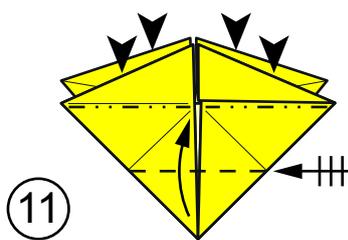

9

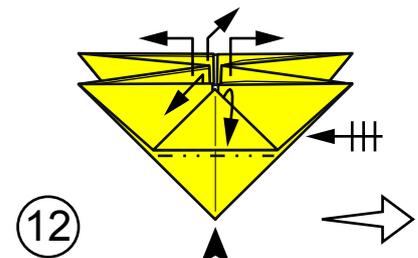

10

Ripetere dietro e ai lati i passi 9 e 10.

11

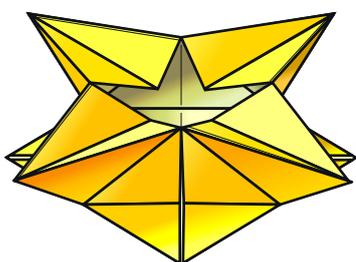

Allargare e far rientrare le alette superiori. Alzare gli angoli inferiori.

12

Allargare, spingere sotto per formare il fondo e portare in orizzontale le alette triangolari.
